Provider paid amount

JPY 0

Provider amount due

JPY 180000

Amounts and payment entries are copied from the sandbox provider record. The ledger summary above is the agent's view; these values are not recalculated or combined across currencies.

Invoice note

Thank you for your business.

No recorded sandbox payments.

Only the selected displayed invoice is included. Amounts, dates, items and recorded payments are copied without recalculation or a provider refresh. This HTML file cannot restore a sandbox or authorize any action.
